Things you have to think about/to do/FAQs

- **Talks**

Due the high number of participants, the talks cannot last more than 10 minutes - so we'll have around 3 - 5 min for questions and suggestions.

To stay on time, please transfer your talks before your session (or one day in advance) to our laptop (Apple MAC).

My data is not yet good/inconclusive - I just started?!

Don't worry - most of our data are developing. We go there to discuss our projects. Maybe you can point out a problem you are facing with at the moment? Or bring across a fancy method you are using/establishing?

- **Accommodation / Food**

We are housed at the "Lenggrieser Hof" which mainly offers double rooms. The room occupancy is freely selectable.

- **Team Building Events**

The group activities are within walking distance to the "Lenggrieser Hof" (approx. 25 min).

1st part: Please bring clothes that can get dirty and sturdy footwear – sun or rain protection its up to you.

2nd part: Swimming gear + (neoprene)-shoes + towel – please let us know if you are a non-swimmer.
